

**Position:** **Intermediate Accountant - Insolvency**

**Job Number:** IAI4411002

**Location:** Perth

**Schedule:** Full Time

**Salary:** Competitive package with employee benefits

**Description:** My client, a nationally owned accounting firm offering personalised services with in-depth expertise and resources in the accountancy and business market consulting areas, is now seeking a dynamic, energetic experienced insolvency professional to join their team.

This role specialises in a variety of insolvency assignments including both corporation and personal appointments.

*The Successful Applicant*

To be considered for this role you must be able to demonstrate the following:

- Minimum 2-3 years of Insolvency experience;
- Completion of/or progress towards CA qualification;
- Outstanding communication (verbal and written) skills;
- Working understanding of Insolvency Law.

*What's on Offer*

In this role you will be working within a National firm and be mentored by experienced Insolvency practitioners. You will have direct access to and work closely with the Insolvency Partners and a wide variety of clients and assignments.

This is an outstanding opportunity to move into an exciting role with a progressive, growing and dynamic organisation.

If you believe you have what it takes we would love to hear from you!
